

[IBLSCrimp@Coil - Electric Double-Sided Coil Crimpers](#)

Speed up your coil binding process with this time saver! IBLSCrimp@Coil is an easy to use electric coil crimper that cuts & crimps both side of the coil at the same time, preventing it from rolling back out of the holes of your document.

IBLSCrimp@Coil's unique design accommodates all coil sizes from 6mm – 50mm, without the hassle of interchanging any parts, Its simple 5-step setup only takes the operator seconds to change coil or sheet size settings.

IBLSCrimp@Coil is the ideal choice for high-volume binding facilities, as well as anyone who wants to avoid using manual crimping pliers during the coil binding process. Save time and money by ordering your IBLSCrimp@Coil today!

Features
